

The Home Counties American Cocker Club
29 June 2017

Thank you to the Committee for inviting me to judge and many thanks to the exhibitors for the lovely entry ! I was very pleased with my overall winners, but type seems to vary a lot. I thought fronts could be better and a few lacked forechest, presentation overall was very good as were temperaments.

Lovely young boy who is at that in between stage which is correct for his age. Pleasing head and eye with good angles front and rear. Hold himself well on the go around with a good top line. One to watch for the future I'm sure. Res best male & BPIS

For me this was the standout of the day. Everything you would want in a American cocker. The only thing I would have liked was a bit more of him. However nice things come in small packages! He's balanced throughout and really comes into his own on the move. His topline is rock hard and

carriage is wonderful. Overall a very useful male. Pleased to award him BIS.

Kelly. Sabisabi Cherokee Inola

Surprised by this young lady. Not the flashiest or the immediate stand out in a line up. However she has the most lovely head and eye, totally lovely to go over on the table. She moves well with a great topline, in my line up she started to come into her own. Well deserved Best Bitch. I very much hope she gets the break she deserves.
